

Steadfast 1st Meeting Briefing

1. Delivery & Logistics

- **Tracking:** Live location tracking.
- **Corporate System:** Corporate clients are provided with a **dedicated Merchant Panel**.
- **Point Delivery:** They can handle "Point Delivery" (specific drop-off/pickup hubs).
- **Packaging:** Partnership opportunity with **Pixel.X** for branded/protective packaging.

2. Financial Terms

- **COD Charge:** 1% of the total product price.
- **Disbursement Process:** Manual "Payment Request" system. Funds must show in the account balance before withdrawal.
- **Withdrawal Timelines:**
 - **Bank:** During banking hours (Fastest via EBL, Brac, or City Bank).
 - **MFS (bKash/Nagad):** 24/7 availability (within 6 days window).
 - **Cash:** Physical collection from the nearest Steadfast Hub.
- **Forecast Requirement:** For the first few days, we must provide an **estimated parcel volume** 24 hours in advance.

3. Liability & Security

- **Missing Items:** They have a formal investigation process using **CCTV footage** from the last known location of the parcel.
- **Resolution Time:** 7 days.
- **Compensation:** Full refund if the fault is found to be on the Steadfast side.

They will get back to us about Sandbox api testing and Bulk Delivery Cost.
